EDUCATION

1999 to 2001 **Master of Computer Science**
Fergusson College, University of Pune

1996 to 1999 **Bachelor of Computer Science**
Fergusson College, University of Pune

INTERESTS

I am an avid runner, marathoner, and cyclist. I also read SF and fantasy and enjoy the occasional first-person shooter. An unabashed geek, I follow the latest science news and tech blogs. My latest form of nerdy entertainment is tinkering with my Raspberry Pi.
